The mission of Pueblo El Mirage Pickleball Club (PEMPC) is to promote and grow the game of Pickleball by cultivating a fun, healthy, recreational and social playing environment for all skill levels.

## **PEMPC Guiding Principles**

The guiding principles are how PEMPC will accomplish our mission, by:

- Providing recreational, organized and competitive play for all skill levels
- Promoting fellowship, respect and good sportsmanship
- Providing training, emphasizing player enjoyment and individual responsibility for skills improvement
- Encouraging all players to “give back” to the club by volunteering for PEMPC activities
