2021/22 Emergency Board Meeting Minutes
DATE: January 8, 2022 - TIME: 8:30 am
LOCATION: Pickleball Courts

- I. President Kelli Mollison called the meeting to order at 8:30. Present were Kelli Mollison, Craig Riebow, Doug Gibbs, Craig Hutton, Gus Ayala, and Gwynn Gorrell.
 - a. President's Report: Kelli Mollison
 1. Kelli reported that she received an email from a 2.0 female pickleball player stating that she has tested positive for Covid. After Kelli received this email, she contacted those within the lady's rating/gender group that they have likely been exposed. Shortly after that, Kelli was informed that a 3.0 male player has also tested positive. Minutes after that encounter, she started receiving communications from several other players who are either sick or Covid-positive.
 - a. Kelli contacted the Board to convene an Emergency meeting to address the problem.
 2. Kelli read to the Board the most current CDC recommendations for those who were either exposed or tested positive for the virus, and asked the Board for their recommendations regarding Organized Play, Training, and Skills and Drills. After a discussion, the Board came to a consensus for the following:
 - a. Organized Play, Training, and Skills and Drills are cancelled for TEN days starting immediately (1/8/2022).
 - b. Players who chose to come to the courts to play paddle in the saddle are strongly urged to wear MASKS while not in active play on a court.
 - c. In order to reduce crowd size, players are asked to enter and leave their court from the WEST side.Kelli will relay this information to the club members via email.
 3. Gary Retzak notified the Board that he will cancel Orientation for the following two Mondays.

Since no objections were voiced, it appeared everyone was in agreement. The Board did not officially vote; instead, they immediately dispersed throughout the courts to inform all the players as they arrived of the Board's decisions. Meeting adjourned at 8:55am.

Respectfully submitted by Gwynn Gorrell, Secretary
