

PEM PICKLEBALL DUES & PLAY

Annual Pickleball dues are \$50.00 per player (for the entire season)

Dues are payable by online or by check made out to “PEM Pickleball Club”. Please use the self-addressed envelopes provided at the bulletin board and send all dues to Kim Beam, #891 **through our intra-park mail**. You can also pay your dues at the monthly general membership meeting. If you want, you will receive a sticker (in the color for that season) to place on your name badge. **Name badges are required by PEM management and our Pickleball Club for all park activities.**

All PEM resident pickleball players, whether playing socially, drop in play or organized play, are expected to pay their annual dues (\$50.00 per player). Your dues go toward the purchase of balls (we use a lot), maintenance equipment (we take care of our own courts), paddles, training equipment, office supplies, social activities and much more.

Players may pay \$25.00 per month for shorter stays in the resort.

“**Organized Play**” (re-defined) includes all training, in house tournaments Ladders and Round Robins. All organized play is scheduled by our Training committee and/or Organized Play Committee. Scheduled, organized play has priority on the courts. In order to engage in organized play you must be current in your dues.

“**Drop in Play**” includes all social and drop in play where PEM members come to the courts during the day or night to play with other PEM members. Although not mandated during drop in or social play, all PEM members are encouraged to play in a level that represents his or her present skill level.
